# Social, Personal and Health Education

## ■ Title

### Social, Personal and Health Education Whole School Plan

## ■ Introductory Statement and Rationale

### (a) Introductory Statement

The staff of Kilgarvan Central School formulated this school plan for SPHE, in consultation with our Board of Management and our Parents, as we believe that SPHE is a shared responsibility and their contributions and involvement will be essential to the effective implementation of the SPHE programme in the school. It was drafted during a Croke Park Hour and brought to the attention of the Board of Management and Parents.

### (b) Rationale

Aspects of SPHE have been taught in Kilgarvan Central School for many years through various programmes and initiatives such as Stay Safe, Walk Tall, Relationships and Sexuality Education and through our involvement in the Health Promoting Schools Initiative. It has also been taught through integration with other subject areas such as Physical Education, Religion, Geography, etc. However, we wish to formalise our teaching of SPHE and plan for it on a whole school basis.

### (a) Vision:

Each person through positive learning experiences will be stimulated to achieve his / her full potential, face life confidently, find fulfilment and be respectful in an ever-changing world.

- To develop in the child a sense of social responsibility, a commitment to active and participative citizenship and an appreciation of the democratic way of life
- to enable the child to respect human and cultural diversity and to appreciate and understand the interdependent nature of the world

#### 1 *Strands and Strand Units:*

The curriculum is delineated at four levels—infant classes, first and second classes, third and fourth classes, and fifth and sixth classes—and is divided into three strands: Myself, Myself and others, and Myself and the wider world.
